

Perk-A-Lyte is a balanced, oral electrolyte that helps prevent dehydration, fatigue, and weakness caused by competition, strenuous exercise and sickness. Highly palatable and apple flavored, its formula contains essential amino acids, trace minerals, and bioflavonoids in an easy-to-use water soluble base.

Guaranteed Analysis	
Calcium, minimum	0.50%
Calcium, maximum	0.50%
Potassium	11.00%
Sodium	20.00%
Magnesium	1.00%
Chloride	50.00%
Carbonate	1.20%
Lactobacillus, minimum	4.5 Billion CFU

Ingredients: Salt (Sodium Chloride), Dextrose, Potassium Chloride, Potassium Sulfate, Calcium Lactate, Magnesium Sulfate, Sodium Bicarbonate, Silicon Dioxide, Aspartic Acid, Histidine, Isoleucine Methionine, Phenylalanine, Threonine, Tryptophan, Tyrosine, Alanine, Arganine, Cystine, Glycine, Leucine, Lysine, Proline, Serine, Valine. Natural and Artificial Flavoring added, and FD&C Color added

Amino Acid Contents			
Aspartic Acid	6.01 mg	Alanine	2.68 mg
Glutamic Acid	19.30 mg	Arganine	3.52 mg
Histidine	2.50 mg	Cystine	0.46 mg
Isoleucine	4.70 mg	Glycine	1.79 mg
Methionine	2.48 mg	Leucine	8.67 mg
Phenylalanine	4.57 mg	Lysine	7.17 mg
Threonine	3.77 mg	Proline	8.22 mg
Tryptophan	0.98 mg	Serine	5.59 mg
Tyrosine	5.11 mg	Valine	6.00 mg
